

# SUDEERA PERERA

Full-Stack Developer

## About Me

I am a full stack software developer with 2+ years of experience in desktop, web and mobile application development. Proven ability to design, develop, and deploy scalable, high quality software applications. Strong problem-solving and analytical skills. Ability to work independently and as part of a team. I am a highly motivated and results oriented individual with a passion for software development. I am eager to learn new things and take on new challenges. I am confident that I can make a significant contribution to your team.
